Transportation, food, uniforms, and certain student supplies are not included in the tuition and fees. No student with an outstanding balance from the prior school year will be permitted to begin classes in the fall. All accounts must be paid in full before credits or transcripts can be transferred to other schools and colleges. GCA has the right to terminate the enrollment of any student for failure of parents to pay part or all of their financial obligations. If an account becomes more than 30 days delinquent, the student(s) may be suspended. If the account is not paid within an additional 15 days, the student(s) may be dismissed from the school. For your protection and to assist in bookkeeping, all payments need to be made by check or money order. ***Please do not pay in cash. Tuition is due the first business day of the month.***

VOLUNTEER PROGRAM

A limited number of volunteer opportunities are available at GCA for parents of students who attend full day classes. Volunteer opportunities are based on the needs of the school and are listed in the office. Placement for volunteer work is based on evaluation of volunteer abilities and availability for positions needed. A maximum of 12 hours per month may be volunteered. Additional hours per month must be at the request and approval of GCA Administration. A rate of \$6.00 per hour will be credited toward tuition. Maximum credit is \$720 per year per family. **Please note that no volunteer credits will be reimbursed to families that do not return to GCA the following school year or leave during the school year.** Each volunteer must sign in and sign out. A visitor's tag is to be worn while on campus. Families receiving a scholarship are encouraged to participate in the volunteer program but will not receive credits beyond the scholarship.
