TUITION AND FEES

Tuition, book and tech fees will be combined into 12 equal payments which begin in May. Students enrolling after May, must become current with pay schedule. Enrollment secures a spot on a class roster and therefore requires monthly tuition and fee payments even when school is not in session. Monthly tuition and fees will be billed for each enrolled student until an official withdrawal request is made by parents. All payments made before that withdrawal are **non-refundable**.

Transportation, food, uniforms, and certain student supplies are not included in the tuition and fees. No student with an outstanding balance from the prior school year will be permitted to begin classes in the fall. All accounts must be paid in full before credits or transcripts can be transferred to other schools and colleges. GCA has the right to terminate the enrollment of any student for failure of parents to pay part or all of their financial obligations. If an account becomes more than 30 days delinquent, the student(s) may be suspended. If the account is not paid within an additional 15 days, the student(s) may be

dismissed from the school.

For your protection and to assist in bookkeeping, all payments need to be made by check or online. ***Please do not pay in cash. Tuition is due the first business day of the month.***

VOLUNTEER PROGRAM

Volunteers are a great blessing to this school, and it is a great way for parents to become involved. Volunteer opportunities are based on the needs of the school and are listed in the office. Placement for volunteer work is based on evaluation of volunteer abilities and availability for positions needed. Each volunteer must sign in and sign out. A visitor's tag is to be worn while on campus. Families receiving a scholarship are required to participate in the volunteer program.
